

## *Your Erasmus+ internship*

### WHO ARE WE?

Placement Slovakia is an internship programme for individual higher education students and graduates from across the EU interested in doing an Erasmus+ internship in Slovakia.

The programme is managed by WorkSpace Europe – the only Slovak Higher Education Mobility Consortium for Erasmus+ mobilities between Slovakia and other EU countries. We are a part of Slovak chamber of commerce as well as other foreign chambers in Slovakia and cooperate with wide network of companies and NGOs in providing them with Erasmus trainees from across Europe.

### INTERNSHIPS

We arrange 2 types of internships:

#### Company internships

Minimum duration of 5 months. Trainees are provided with free accommodation on the top of our standard support.

#### NGO internships

Minimum duration of 2 months. Trainees are provided with our standard support.

### WHY TO APPLY?

- Our programme is completely free for trainees
- We find you the right internship position regarding your skills
- We help you with all the necessary paperwork and practical matters regarding the country, city, transportation, etc.
- We provide you with accommodation free of charge in case of company internships
- We pick you up upon arrival and give you a practical introduction
- We stay in touch with you during the whole internship and will track your progress or assist you in case of need

### HOW TO APPLY?

Fill out the online application form at our website:

[www.placementslovakia.com](http://www.placementslovakia.com)

All the internships are with English working language and you can start anytime of the year.
