

Dear students,

I am a person responsible for the chemical laboratory in a Belgian company, World Natural Care. We are currently looking for a student who would like to come to our laboratory for an internship (Chemical/Science Department).

If there is anybody, interested in working abroad for a few months (Erasmus or Da Vinci program), please let me know. I will contact you then with our HR Department.

I am looking forward to hearing from you

Kind Regards

Marta Malolepsza

Chemical Engineer

World Natural Care
