

We have the following offers available:

1. If we receive students for the month of January or February we will assist with the low season rate as a once off on Accommodation.
2. Early Bird Discount if payment is settled in advance.
3. Paid Internship for students coming for a long stay for more than 4 months.
4. Group Bookings discount for groups of 10, 20 and 25.

#### **Malta – A diversified economy with excellent placement opportunities**

Your top students deserve to be doing a Work Placement in a country Malta which is currently enjoying one of the strongest economic growth in the world at **6%** annual growth GDP. You might be aware that Malta has a well-diversified economy and enjoys a quality of life which is ranked amongst the best in the world. This diversification offers a wide variety of placements in more than **25 sectors** and **90+ professions**. We are confident that whether you are a higher education institution specialised in applied sciences or a more traditional university we have the right placement for your talented students. With over **1500 employer organisations** many of which with international shareholding we have a wide range of employer organisations ranging from Fortune 500 companies like Cardinal Health, Playmobil and Lufthansa Technik plus many innovative SME companies.

Thanks for your kind attention.

Best regards,  
Stephen Viljoen, Paragon Internship Executive
