

INTERNATIONAL STAFF WEEK

This year we will organize our 9th Scholarship fair. However, considering that events like this can be helpful in promoting and raising awareness of international mobility through Erasmus+ program, we have decided to extend the event on whole week, create the program and offer you unique staff week activities in our beautiful city of Sarajevo and Bosnia and Herzegovina with focus on Internationalisation at HEI, incoming and outgoing mobilities and international project implementation. You will be able to present yourselves and to have a *networking* between partners, academics, students and IRO officers.

PURPOSE OF THE FAIR

University of Sarajevo organizes Scholarship fair, a unique event in Bosnia and Herzegovina where we invite different institutions (governmental and non-governmental organizations, embassies, civil initiative centres, local communities, foreign institutions, centres for culture, universities etc) who offer any kind of scholarship (financial or non-financial) for studying in Bosnia and Herzegovina or abroad. Fair visitors are high school seniors, students, undergraduates, graduates and postgraduate candidates from the University of Sarajevo and other BH universities and all other visitors who are in a need of scholarships for their professional education and lifelong learning process, from Sarajevo and other cities of Bosnia and Herzegovina. Fair is organized in the way that each institution has its own stand where they can put their print and/or online promotional documents and chat with everyone who comes to their stand and is interested. So far we have organized 8 (eight) scholarship fairs (since 2010). Based on the experience from previous years, the Scholarship Fair gained a status of an event which promotes the student and staff mobility in Bosnia and Herzegovina and abroad. More about the fair can be found out from our [Guide](#) from last year's fair, [YouTube video](#) and [Facebook page](#).

ERASMUS+ IN THIS FAIR

Our university promoted European programs since its beginning (Erasmus Mundus and now Erasmus+). Although our office does great amount of promotion Erasmus+ programme and its credit mobility opportunities outside of the fair and considering that we all need a boost in promotion when it comes to these Erasmus+ mobilities we were thinking to invite you to participate at this fair and promote your institution. This will be unique way to promote, discuss, explain and present all possibilities within Erasmus+ scholarships and ensure applications from students from University of Sarajevo and your other B&H's partners.

ERASMUS+ STAFF MOBILITY

Since the beginning of the Erasmus+ program, we have over hundreds visits of administrative and academic staff members from our partner Programme country's university, where our office tried to provide a programme in order to meet with us, find out about our daily work, or to meet with our academic coordinators, and with a goal to expand and strengthen our cooperation. Your visit to the University of Sarajevo can be a part of the Erasmus+ mobility grant that you have with our university (academic/administrative for training). If you have

signed IIAs with us, and have academic/administration staff mobilities for our University and have planned to visit our university in academic 2018/2019, this will be great opportunity and timing to do the best presentation and promotion. **The Fair is planned to be held on 18th October 2018 (one-day-event) so your mobility dates to enter in your staff mobility agreement could be 15th-19th October (travel dates 14th and 20th October) which covers dates for International Staff week.**

ACCOMMODATION AND TRAVEL

Your accommodation, travel and meals cost will be part of your Erasmus+ mobility, which means that all costs are covered by you (or your institution). We can provide you with list of hotels and accommodations for this period, ways of travel to and from Sarajevo and all needed practical and administrative information.

If you are interested please let us know by email and by registering online at: [ONLINE FORM](#) until 7th September 2018. We know that confirmation is earlier than the week, but because of your organisation of travel and accommodation, our advice is to do it as soon as possible.

For all additional information, we are on your disposal.
