Selection Committee Meeting Report
Erasmus+ ICM for students at University of Jaen, Spain

1. Date and way of announcing the selection procedure

Call for Applications for mobility at University of Jaen, Spain, was open on the University of Niš web page initially from 01 March to 15 April and was then extended to 25 May 2016:

<https://www.ni.ac.rs/novosti-i-dogadjaji/stipendije-i-konkursi/konkurs-univerziteta-u-haenu>

2. Selection Committee members

The Committee was formed by the following members:

- Prof. Dr. Vesna Lopičić, Vice-rector for International Relations
- Prof. Dr. Ivica Manić, Institutional Coordinator for Erasmus+
- Mrs. Jelena Čivljak, Senior Officer, International Relations Office

Every member of the Committee responsibly declared that there was no conflict of interests in his/her participation in the selection process.

3. Conditions and rules of selection

Eligibility: undergraduate and master students of the University of Niš in the fields listed in the Call. Criteria - students: academic record, motivation, language proficiency, extracurricular activities. Priority is generally given to candidates without previous mobility experience. The Committee may also consider the other possibly relevant factors, such as the candidates' age, social and economic background, health conditions, minority representation, gender equality, etc.

4. Number of applications and candidate names

Twelve (12) student applications have been received as follows:

1. Bogdan Petković, master student of Mechanical Engineering
2. Filip Janković, master student of Software Engineering
3. Milan Stanković, master student of Telecommunications
4. Sanja Stanković, master student of Electric Power Engineering
5. Sofija Momčilović, master student of Telecommunications
6. Ivan Golubović, 3rd year undergraduate student of English
7. Kristina Ilić, 3rd year undergraduate student of English
8. Luka Kostić, 3rd year undergraduate student of Control Systems
9. Miloš Jovanović, 3rd year undergraduate student of English
10. Mladen Magić, 3rd year undergraduate student of English
11. Nikola Djordjević, 3rd year undergraduate student of Computing and Informatics
12. Risto Keković, 3rd year undergraduate student of Computing and Informatics

Candidate No. 12, Risto Keković, had withdrawn his application and notified the Institutional Coordinator on his withdrawal before the Selection Committee meeting was held.

5. Names of selected candidates

Students to be nominated for two semesters mobility listed by order of priority are:

1. Filip Janković, master student of Software Engineering
2. Sanja Stanković, master student of Electric Power Engineering
3. Milan Stanković, master student of Telecommunications
4. Sofija Momčilović, master student of Telecommunications
5. Bogdan Petković, master student of Mechanical Engineering
6. Nikola Djordjević, 3rd year undergraduate student of Computing and Informatics
7. Ivan Golubović, 3rd year undergraduate student of English
8. Kristina Ilić, 3rd year undergraduate student of English
9. Miloš Jovanović, 3rd year undergraduate student of English
10. Mladen Magić, 3rd year undergraduate student of English
11. Luka Kostić, 3rd year undergraduate student of Control Systems

IMPORTANT NOTE: Final selection of grant recipients will be made by University of Jaen depending on actual number of available grants and in accordance with their selection criteria!

6. Names of reserves

None

7. Names of rejected candidates

All applications were complete and valid, and there was no reason to reject any application.

8. Short assessment of the selection procedure

Call for Applications for mobility at University of Jaen, Spain, which was open on the University of Niš initially from 01 March to 15 April 2016, was extended to 25 May. As a result, the application process following the Call was successful. One of the candidates, Risto Keković, has withdrawn his application. The Selection Committee considered application material submitted by the remaining candidates and made the required decision. The Institutional Coordinator has been advised to proceed with nominating the candidates in accordance with Committee decision.
