Science & Technology Campus, Linares

The University of Jaén has another training and research centre, offering modern, well-equipped facilities: Linares Higher Polytechnic School, located at the Science & Technology Campus in Linares, which is made up of four buildings. The campus is located to the southwest of Linares, between the new Cinturón Sur ring road, the national N322 road to the north and the forthcoming A-32 motorway linking Linares to Albacete. How to get there
