Gender Equality Unit

The **Equality Unit** was created in 2009 with the aim of promoting respect and equal rights and opportunities for women and men at the University of Jaén.

The most important **objectives** are:

- To ensure compliance with the laws and regulations stemming from equality policies, correcting the imbalance between women and men.
- Conduct studies and diagnoses of inequalities between women and men in all sectors of the university community.
- Prepare and ensure compliance with the current Equality Plan.
- Promote awareness, training and information campaigns for the entire university community.
- To prevent and protect against possible situations of sexual harassment and sexist harassment that could occur at our university.
- Promote teaching and research on effective equality between women and men.
