# Responsability and Diversity

The University of Jaén is part of the Network of Universities for Diversity, whose scope of work is

Sexual and gender diversity (sexual orientation, body diversity, affective diversity, gender identity and gender expression).

Diversity based on origin, culture, beliefs and related factors.

From the Vice-Rectorate we ensure the recognition of diversity based on birth, racial, cultural, ethnic, religious origin, sexual orientation and gender identity in all aspects of university life.
