About: Dr. Jesús M. Nieto García has been a member of the English Department of University of Jaén since 1989. He is currently Professor of English Language and Literature, and has taught a wide number of courses on English studies, both in Graduate and Postgraduate studies. His research interests are diverse, including, among others, the stylistics of drama and critical discourse analysis, mostly focused on 20th century English literary texts. He has also supervised a number of PhD dissertations, focusing from Pragmatics to Popular Literature and Caribbean Drama in English.
