About: Ana Valverde González is a doctoral student and an Interim Professor of English in the Department of English Language and Literature at the Universidad de Jaén, Spain, where she is completing her thesis on the relevance of George Orwell's *Nineteen Eighty-Four* in today's narrative regarding disinformation techniques and hypervisibility. Her research interests include modernist and postmodern literature, comparative literature, cultural studies, and literature and journalism. Concerning these topics she has published in *Atlantis, Anglica* (co-authored with Beatriz Valverde) and *Forum for World Literature Studies* and presented papers in ESSE, AEDEAN, EAAS, USSE or Northeast Modern Language Association.
