ORGANIZATIONAL INFORMATION

Topic: Economy and Finance in Times of Uncertainty: Challenges, Adaptation, the Future

Date: May 14-15, 2026

Venue: Faculty of Economics, University of Opole, 46a Ozimska Street, Opole

Languages: Polish and English

OBJECTIVE: The Conference aims to integrate young talents from the academic community and facilitate the **exchange of ideas** on the role of the state and institutions in the face of crises, digitalization, and climate change.

The event combines theory and practice through diverse forms of activity:

- Paper sessions (presentation of research results)
- Poster session
- Workshops with experts

THEMATIC SCOPE

- ① Economic policy in times of crisis and uncertainty
- ① Economic resilience to crises
- ① Labour market and automation
- ① Public and private finance in an unstable environment
- ① Sustainable development and the green transition
- ① Behavioural economics and decision-making under risk
- ① Agricultural economics and food security
- ① Globalisation, deglobalisation, and international cooperation
