Leadership Insights & Vision for the Future

Hon'ble Chancellor **Dr. Ashok Kumar Mittal** emphasized that international education is now a necessity and that the conference reflects a shared effort to shape a new global academic order.

Dr. Aman Mittal, Vice-President, highlighted that the conference marks a major transformation in global academic collaboration:

“We are moving from universities simply meeting, to co-creating academic futures; from partnerships ending with MoUs to shared missions of integration. The future will belong to those who learn, unlearn, and relearn.”
