## HFT STUTT GART - UNIVERSITY OF APPLIED SCIENCES

### Intercultural Business Summer School 2026

#### “Leading Across Cultures”

July 12<sup>th</sup> – July 25<sup>th</sup> 2026

Working in international and intercultural teams is the future of work in today's global business environment – especially in management and business. Start here!

Expand your skills in Leadership and Intercultural Business Skills through interactive modules and practical exercises. Additionally, you will gain insights into companies in the Stuttgart region and learn how business is conducted in one of Germany's leading economic hubs.

The Summer School also offers an unique opportunity to connect with students from Germany and all over the world, exchange ideas, and build an international network that lasts beyond the program.

### Why take part in the Intercultural Business Summer School 2026 of HFT Stuttgart?

- ✓ **Explore Stuttgart & Southern Germany:** Our university is located in the vibrant city center of Stuttgart, one of Germany's leading economic hubs!
- ✓ **Work in international teams:** Collaborate with students from Germany and all over the world and share perspectives across cultures.
- ✓ **Learn by doing:** Combine brief theoretical input sessions in interactive workshops with practice-oriented activities in Leadership and Intercultural Business Skills.
- ✓ **Gain real-world insights:** Visit companies and discuss with experts to connect theory with business practice.
- ✓ **Experience German culture:** Enjoy cultural activities, excursions, and the unique local atmosphere.
- ✓ **Expand your horizons:** Make the most of your Summer School experience and discover Germany or even travel further in Europe!\*

*\*not included in the fee; please consider the respective visa requirements if you want to travel to countries other than Germany*

### About the HFT Stuttgart & Stuttgart Business School:

The Stuttgart Business School is part of the University of Applied Sciences HFT Stuttgart, a well-established institution with a strong focus on practice-oriented teaching and close links to industry. The Business School offers programmes in business and management, combining academic knowledge with real-world application and an international perspective.

Located in the city centre of Stuttgart – one of Germany's leading economic hubs – students benefit from a dynamic environment, close cooperation with companies, and excellent opportunities for professional development.
