## Mechanical Engineering and Energy Technology Blended Summer School in Germany - The Engineering Paradise

Online: June 11, 18 (+ 25) 2026

In-Person: July 3 - 17 2026 in Giessen, Germany

- Learn about the newest developments in Mechanical Engineering or Energy Technology
- Select one of the two learning tracks:
  - Track A: Applied AI in Engineering & Sustainable Fuels
  - Track B: Motorboat Design Week & Vehicle Dynamics
- Work practice-oriented in our laboratories
- Get to know students from around the world
- Experience Germany first hand!
- Enjoy an amazing social programme and excursions to German cities and companies
