GROUP SELECTION

Important information to select a group

1. **Enrol the selected course** (check the code for the course in the first or second semester) (Students won't be able to select a group in the next step)

2. Log in **Platea**. If the course has different groups (different timetables) you will find the module '*elegir grupo*' (select group). Groups are made on a 'first-come first-served basis' and are closed when the max. number of students is reached in the group (25 students).
