

SEJ-399 Common European Law and International Studies

Coordinator: Dr. Víctor Luis Gutiérrez Castillo (vlguti [arroba] ujaen [punto] es)

The “Common European Law and International Studies” research group is a multidisciplinary group that brings together researchers from the area of Public International Law and International Relations as well as from the area of Legal History and the Institutions.

Research lines

- Common European Law (historical foundations of Public International Law and European Legal Institutions)
- International Studies (Law of the Sea, Outer Space)
- European Union (immigration, border control, equality)
- State Sovereignty and Human Rights (freedoms, fundamental rights)
