I am interested in researching abroad, what are the funding opportunities?

There are many ways to integrate **international research opportunities** to your curriculum and to also get to know eventual project consortium partners, such as through the following funding programmes (in alphabetical order):

- Banting Postdoctoral Fellowships
- Becas Fulbright España
- Becas Fundación Ramón Areces
- Becas La Caixa
- Becas Santander Investigación
- DAAD – German Academic Exchange Service
- EMBO Fellowships
- Estancias «José Castillejo» para jóvenes doctores
- Euraxess – Jobs offers
- Fondation Fyssen – Post-Doctoral Study Grants
- FWO – Postdoctoral Fellowships
- Gates Cambridge
- Grants for Health researchers
- HE - European Research Council grants (ERC)
- HE - Marie Sk?odowska-Curie Actions (Postdoctoral Fellowships)
- Individual Fellowships at Université libre de Bruxelles (IF@ULB)
- INTER mobility programme (Luxembourg)
- Japan Society for the Promotion of Science Fellowships
- JREC-IN (Japan)
- LE STUDIUM Fellowships
- National Science Centre (Poland)
- ProfessorPositions.com
- The Ulam Programme (Poland)
