

## **TEP-145 Interphase Physics**

**Coordinator:** Dr. Alfonso Ontiveros Ortega (aontiver [arroba] ujaen [punto] es)

### **Research lines**

- Interphase physics and colloidal systems
- Textile Technology
- Interphase physics applied to the removal of pollutants

### **Related services and products**

- [Protective device for vertical-axis wind energy generators and vertical-axis wind energy generator](#)

**Spanish website:** <http://bit.ly/2Cr6PoX>
