I am interested in researching at UJA, what are the funding opportunities?

The UJA offers **PhD programs** on any of its areas of expertise and applications are welcome all throughout the academic year (escueladoctorado [arroba] ujaen [punto] es). Fees and application deadlines are described online.

Besides, the UJA is also happy to welcome early stage/consolidated/senior researchers (and potential project consortium partners) through any of the following **international funding programs** (in alphabetical order):

- Becas AUIP
- Becas Fulbright
- Becas Fundación Carolina
- Becas “la Caixa”
- Becas CONACYT
- CSC - China Scholarship Council
- DAAD PRIME (Postdoctoral Researchers)
- EMBO Funding and Awards
- FWO – The Research Foundation (Flanders)
- HE European Research Council grants (ERC)
- HE Marie Sk?odowska-Curie Actions (MSCA-PF)
- INTER mobility programme (Luxembourg)
- OECD Fellowships
- OEI - Programa Paulo Freire +
- TÜBITAK Postdoctoral

National funding for researching at the UJA is also provided by the Spanish government:

- Ayudas para contratos Juan de la Cierva
- Ayudas para contratos Ramón y Cajal
- Ayudas Beatriz Galindo para la atracción del talento investigador
- Ayudas para incentivar la incorporación de talento consolidado «Programa ATRAE»

Finally, the **University of Jaén** also offers the following funding programmes & job opportunities:

- Convocatoria Profesorado Visitante
- Plan Propio de Investigación y Transferencia del Conocimiento (UJA Talento)
- Programa de ayudas a investigadores visitantes INUO
- Temporary Teaching positions (Bolsa de sustitución PDI)
- Teaching & Research positions (Procesos selectivos PDI)
- Job offers linked to funded research projects
