

I am interested in researching at UJA, what are the funding opportunities?

The UJA offers **PhD programs** on any its areas of expertise and applications are welcome all throughout the academic year (escueladoctorado [arroba] ujaen [punto] es). Fees and application deadlines are described [online](#).

Besides, the UJA is also happy to welcome early stage/consolidated/senior researchers (and potential project consortium partners) through any of the following **international funding programs** (in alphabetical order):

- [Becas AUIP](#)
- [Becas Fulbright](#)
- [Becas Fundación Carolina](#)
- [Becas “la Caixa”](#)
- [Becas CONACYT](#)
- [DAAD PRIME \(Postdoctoral Researchers\)](#)
- [EMBO Funding and Awards](#)
- [FWO - The Research Foundation \(Flanders\)](#)
- [HE European Research Council grants \(ERC\)](#)
- [HE Marie Skłodowska-Curie Actions \(MSCA-PF\)](#)
- [INTER mobility programme \(Luxembourg\)](#)
- [OECD Fellowships](#)
- [OEI - Programa Paulo Freire +](#)

The **University of Jaén** also offers the following funding for incoming researchers:

- [UJA Convocatoria Profesorado Visitante](#)
- [UJA Plan de Apoyo a la Investigación de la Universidad de Jaén 2023-2024](#)
