

## **Additional Opportunities**

Searching for project funding can be a hard task if you are not familiar with all the available information resources and types of cooperation –such as with enterprises– that can be established for developing a project idea.

Apart from Horizon Europe, several **additional funding programmes** should be considered when searching for the right R&I international project scheme. A summary (in alphabetical order) is provided below and further information is available through each initiative's webpage:

[AMIF - Asylum, Migration and Integration Fund](#)

[Biodiversa+](#)

[CEF Programme \(CEF Energy - CEF Transport\)](#)

[CETPartnership - Clean Energy Transition](#)

[CHANSE - Crisis: Perspectives from the Humanities](#)

[CHANSE - Enhancing well-being for the future](#)

[Citizens, Equality, Rights and Values Programme \(CERV\)](#)

[Convocatoria bilateral hispano alemana de proyectos de investigación](#)
