

## **Funding opportunities**

### **Framework Programme (Horizon Europe)**

Horizon Europe (HE/FP9) is the EU's key funding programme for research and innovation with a budget of €95.5 billion. It tackles climate change, helps to achieve the UN's Sustainable Development Goals and boosts the EU's competitiveness and growth.

### **Additional Opportunities**

Apart from HE, some other funding programmes should be considered when searching for the right R&I international project scheme. A summary in alphabetical order of these funding schemes is provided (Including those that may also receive funds from the Framework Programme).
